

# HOME LEARNING

Good morning, 3<sup>rd</sup> grade! Your teachers miss you all and wish we could be in our classrooms together today. The good thing is we know you all have grown so much this year and the work for this week is something we are certain you can do! Here is the schedule for the week. Do your best to complete what you can with these tasks each day this week!

Love, Mrs. Pace, Mrs. V., Mrs. Bigwood, & Ms. Solomon

# HOME LEARNING FREE CHOICE!

## WEEK OF MARCH 23RD

Want to extend your learning? When you complete a box, color it in with your favorite color or draw a design ovetop! Attach any work together to show your teacher when you return!

<p>Read anything for 20 minutes. Write a quick summary about what you read (minimum 5 sentences).</p>	<p>Make something using supplies laying around at home! Get creative. When you finish, see if you can make it stronger? Taller? Look nicer?</p>	<p>Order these fractions from least to greatest: <b><math>2/7, 4/4, 2/3, 1/4, 4/5, 7/8, 1/8, 6/7</math></b></p>
<p>Use the podcast links on Google Classroom to find something to listen to. If you are able, complete one of the organizers on Seesaw. Otherwise, make a list of 8 new facts you learned!</p>	<p>Use any of the high frequency words (attached) in a story. You may handwrite or type your story! Highlight the high frequency words!</p>	<p>Go to <a href="http://wonderpollis.org">wonderpollis.org</a>. Read the "WONDER" of the day (you can read it with someone, too – they can have big words sometimes). Write a quick summary about what you read in 4-5 sentences.</p>
<p>Complete any of the ELA or Math assignments that I have added to Freckle!</p>	<p>Post a video to your Seesaw journal reading anything of your choice!</p>	<p>Answer questions on <a href="http://www.freerice.com">www.freerice.com</a> for 20 minutes. Then, on a piece of paper, write: "I practiced my math facts for 10 minutes". Show your note to mom/dad have them initial it!</p>
